

26th June 2021

Dear student,

Following guidance from Public Health England and the local authority last week our Induction Days on Thursday 1 and Friday 2 July will be run as a virtual event only. We understand how disappointing this will be for you all but we hope that the virtual event will still give you a taste of life at Beverley Joint Sixth Form.

As you will appreciate planning to switch the Induction Days from a live to a virtual event is still underway but at this stage we are able to confirm that as far as is possible all lessons will run as live, virtual lessons using either Google Meet or Microsoft Teams and that each student will also get the chance to meet (virtually) the J6th team and their tutor. We are also planning to give students an opportunity to meet current Year 12 and to ask them any questions you may have about life in the sixth form. We would still ask that you keep 9am - 3pm free on Thursday 1 and Friday 2 July. You will be contacted by email on the day with links to access live and pre-recorded talks and lessons. Please complete this form <https://forms.gle/gs4LobW1SD1TJGKQ7> to confirm your attendance and the email address you wish to use if you are not a BHS or BGS student. The form must be completed by **4pm on Monday 28th June**.

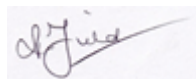

We are aware that students who are new to both school sites will not have had the opportunity to visit us and so we plan to offer an opportunity for those who would like to have a tour of the site to be invited to do so in the last weeks of the summer term. We will be in touch as soon as possible with those students to confirm the details.

We are sorry that we will not be able to meet many of you face to face before you join us in September but please remember that we are very happy to answer any questions at all; please do not hesitate to get in touch with us.

Yours sincerely,

Clare Gardiner
